Professional Profile

I am an enthusiastic and professional Web Designer, who enjoys being part of, as well as leading, a successful and productive team. I am quick to grasp new ideas and concepts, and to develop innovative and creative solutions to problems. I am able to work well on my own initiative and can demonstrate the high levels of motivation required to meet the tightest of deadlines. Even under significant pressure, I possess a strong ability to perform effectively.

Objective

I am now looking to build on my extensive range of technical skills within a suitably challenging role. I am keen to achieve further professional development.

Key Technical Skills

Adobe PhotoShop	Macromedia Dream Weaver	QuarkXPress
Adobe Illustrator	Macromedia Flash	Strata Studio Pro (3D)
Adobe Premiere	Macromedia Director	FTP Programs
Adobe After Effects	Poser	Bryce 3D
Adobe Acrobat	QTVR	Microsoft Excel
Microsoft PowerPoint	Equilibrium	Media Cleaner Pro

Career Summary

2003-date WebMaster, Graphics Master, Belfast, Northern Ireland

- Working within a major print design company, tasked with developing their fledgling Web Department
- Assessing initial set-up requirements and implementing hardware and software solutions accordingly
- Training my team in the use of QuarkXPress, Beyond Press Pro, PhotoShop, Dream Weaver, Media Cleaner Pro, QTVR & Adobe Premier
- Coordinating closely with Account Executives, actively soliciting new clients and nurturing existing client accounts, ensuring their needs and requirements were not only accommodated but surpassed
- Winning over many clients from larger companies, due to the extremely high standards of our creative design work
- Training clients in subsequent website maintenance, particularly the use of Dream Weaver and its inbuilt FTP facility
- Initiating a company-wide changeover to a much faster ISP with enhanced technical support
- Clients include major blue chip companies such as the British Land Company and Millennium Diamonds as well as many high profile government departments and agencies

Formal Qualifications

National Diploma in Graphic Design & Multimedia

Dublin Institute of Technology, Dublin, Ireland (2000-2003)

Key Modules:

Web Design	Visual Communication
Multimedia	Print Design
Typography	Photography

Following attainment of my Leaving Certificate, I embarked on a National Diploma in Graphic Design & Multimedia to formalise both my design skills and my creative experience. Via mock client briefs, addressing realistic commercial projects, I studied web design, typography, CAD, the print process, illustration and multimedia applications. The final examination of the Diploma consisted of an exhibition of project work (multimedia, CD-ROM and accompanying web page and associated print materials). A dissertation on an individually selected design topic was also completed and submitted.

I obtained a **First Class Honours in Multimedia and Web Design** and also won the **Multimedia Student of the Year Award** and **Best Use of a Mac Award**.
